

SNOW COLLEGE

REGISTRAR

CATALOG-YEAR REQUEST

INSTRUCTIONS.

1. Your catalog-year is the catalog-year active when you matriculated into a program, which means you entered a credential-granting program. This happens upon admission or readmission to Snow College or when you change your program of study.
2. Your catalog-year determines your requirements for graduation. Thus, changing your catalog-year may significantly increase your time to graduate. Please see an advisor before you have completed this form to determine if you should change your catalog-year.
3. You can only request a catalog-year during which you were enrolled in classes at Snow College.
4. Answer questions 1 and 2.
5. If you will have earned 20 or more credits by the end of the semester, also provide an answer to number 3 below.

PLEASE PROVIDE THOROUGH ANSWERS TO THE FOLLOWING QUESTIONS.

1. What catalog-year are you requesting? _____ (See #3 above)
2. How many total credits will you have by the end of the semester? _____
3. What academic reason can you give that would support you taking a freshman level course with this many credits?

By signing this form, you are authorizing Snow College to change your catalog-year. You acknowledge that this may require you to spend longer at Snow College to fulfill the requirements under the catalog-year you requested. You acknowledge that this may increase the total cost of your education.
