

Childcare Management (AAS)

What Degree Can I Get?

Child Care Management offers specific training in the education and care of children ages newborn through 5 years of age. The program also offers important business skills needed to start and operate home or commercial child care services. Students who earn an AAS degree (which required 63 semester hours of study and usually takes two years to complete) are eligible for job entry.

Which Classes Should I Take?

A “C” grade is required for each required Core class. Please consult the Snow College catalog for information on classes that are required for this degree.

Classes that are required in the Home and Family Studies area:

- HFST 1020 – Principles of Nutrition
- HFST 1500 – Human Development
- HFST 2120 – Nutrition for Children
- HFST 2400 – Family Relations
- HFST 2500 – Early Childhood
- HFST 2610 – Guidance of Young Children
- HFST 2620 – Creative Experiences For Children
- HFST 2750 – Practicum in Preschool Teaching
- HFST 2760 – Seminar in Preschool Teaching

Students who earn a degree in Child Care Management at Snow College should be able to work in the following areas:

- **Supervision and Administration** – Child Care Management majors who earn an Applied Associate Degree in Child Care Management and are at least 21 years old are usually eligible to be child care center directors. They are also eligible to own and direct family centered day care and preschool programs.
- **Teaching** – Majors in this field are usually eligible for employment as head teachers, teachers, and teacher’s assistants in for profit or not-for-profit center-based day cares; preschool facilities; and Head Start.
- **Child Care** – Other employment possibilities include professional nanny positions, employment with child Care Resource & Referral, and elementary school para-professional teacher aides.
