

## What Degree Can I Get?

Criminal Justice Majors at Snow College will want to complete either an Associate of Science (AS) or an Associate of Arts (AA) degree. These are transfer degrees, designed to prepare you to transfer to a four-year college and work on a Bachelor's degree. Students who major in criminal justice and who earn the associate degree can usually expect to transfer to a university as a junior. Students may also enter one of the major branches of the criminal justice system: Law Enforcement, Court System, or Corrections in pursuit of a professional career.

## What Classes Should I Take?

Students who wish to transfer to a four-year institution should take the courses recommended below. Note that these recommendations represent a minimal commitment to studying criminal justice. Students who have a transfer institution in mind should consult that institution's Criminal Justice Department regarding course transferability as soon as possible.

- CJ 1010 – Intro. to Criminal Justice
- CJ 1300 – Intro. to Corrections
- CJ 1330 – Criminal Law
- CJ 1340 – Criminal Investigation
- CJ 1350 – Intro. to Forensic Science
- CJ 2110 – Intro. to Security
- CJ 2330 – Juvenile Justice
- CJ 2350 – Laws of Evidence

## What Are Some Things I Can Learn From Criminal Justice?

Students who complete an emphasis in criminal justice at Snow College will be expected to demonstrate some of the following:

- Know the criminal justice process and organizations
- Know the basic theories and procedures of criminal justice
- Know the concept and theoretical foundations of the American criminal justice system
- Know the relationship among the three criminal justice components, namely, the police, the courts, and corrections
- Appreciate the social dilemmas of law enforcement and corrections
- Appreciate the impact of the criminal justice system on American social and cultural systems.
