

## What Degree Can I Get?

### What Degree Can I Get?

Education majors at Snow College will want to complete either an Associate of Science (AS) or an Associate of Arts (AA) degree. These are transfer degrees, designed to prepare you to transfer to a four-year college and work on a Bachelor's degree. At Snow, students are able to complete lower division general education requirements as well as many prerequisites. **Early Childhood Education certification includes teaching pre-kindergarten, kindergarten, and grades one through three.**

### What Classes Should I Take?

The exact classes you would take at Snow would depend on your exact major, whether Elementary Education, Early Childhood Education, Special Education, or Secondary Education. You would probably be taking classes like:

- HFST 1500 - Human Development
- HFST 2600 - Intro. to Early Childhood Education
- HFST 2500 - Early Childhood
- HFST 2610 - Guidance of Young Children
- HFST 2620 - Creative Experience for Children
- HFST 2750 - Practicum in Preschool
- EDUC 1010 - Intro. to Education
- BT 1010 - Intro to Computers
- MATH 2010 - Math for Elementary Teachers
- MATH 2020 - Math for Elementary Teachers II

### Contact Information:

Advisement Office (435) 283-7313 [advisement@snow.edu](mailto:advisement@snow.edu)

Visit the Snow College website <http://www.snow.edu/hfst/ECE-CD.html> to learn more about this program.

## Activities & Experiences . . .

You can have hands-on experience through our education classes each semester. Our Literacy tutoring class is a course designed for students to participate as literacy volunteers working with children at local schools and libraries. This course can be repeated each semester. Plus college credit is available through the Cooperative Education Program if you have a job in an area of your major.

### Associate of Science and Art Requirements

American Institutions 3*	ENGL 6	Math 2-5	OC 3
FA 3	HU 3	SS 3	PE 1096 1
