

## What Degree Can I Get?

Psychology majors at Snow will want to complete either an Associate of Science (AS) or an Associate of Arts (AA) degree. These are transfer degrees, designed to prepare you to transfer to a four-year college and work on a Bachelor's degree. Most Students who major in psychology find it an ideal preparation for entrance into professions such as Counseling and Guidance, Education Psychology, Industrial or Organizational Psychology, Child Psychology, Clinical Psychology, Experimental and Physiological Psychology, and Sport Psychology.

## Classes Should I Take At Snow?

Students who wish to transfer to a four-year institution should take the courses recommended below. Note that these recommendations represent a minimal commitment to studying psychology. Students who have a transfer institution in mind should consult that institution's Psychology Department regarding course transferability as soon as possible.

- PSY 1010 General Psychology
- PSY 1100 Developmental Psychology
- PSY 1400 Analysis of Behavior
- PSY 2300 Social Psychology
- ANTH 1000 Anthropology
- SOC 1010 Principles of Sociology
- SOC 1020 Modern Social Problems

## What Are Some Things I Can Learn From History?

Students who complete the recommended psychology curriculum at Snow College will be expected to demonstrate that they -

- Know about the marvels of the human body;
- Know how people learn, remember, and perceive the world;
- Know what motivates human behavior;
- Know how to control our thinking, emotions, motives and depression;
- Can think logically, critically, and analytically;
- Can apply the scientific method to a variety of psychological issues;
- Appreciate the value of lifelong learning;
- Appreciate the interdependence of cultures and people.
