

POTENTIAL NAIL TECHNOLOGY STUDENT

We appreciate your interest in the Nail Technology program at Snow College located on the Richfield campus. Due to the high demand for this program, you are required to submit the following information to the registration office before you will be considered as an applicant for the program. **Submission of this application does not mean you are accepted into the program. Upon completion of this information, your packet will be placed on file for review and an interview time will be scheduled as openings become available.**

Please mail or deliver to the registration office the following information:

- Information form with student signature and parent's signature required for high school students.
- 2 Letters of Recommendation (not from family)
- Letter of intent...introduce yourself, include your goals and why you are interested in cosmetology.
- High school transcript, copy of high school diploma **or** GED, **or** explanation why it is not included.

The nail technology applications will be due in the registration office according to the following schedule:

Fall Semester
Spring Semester

Application deadline: May 1
Application deadline: October 1

Thank you,

Nail Technology Instructors

SNOW COLLEGE RICHFIELD CAMPUS

Nail Technology Course

Course Objective: To complete 300 hours of training required for state licensure as a nail technician. Must be enrolled in and complete both courses at a satisfactory level to meet the objective.

Course Number and Title: COSB 1810 - Theory of Nail Technology – 4 credits
COSB 1811 - Nail Technology Practicum – 6 credits

Course Schedule:

Fall Semester: August - December from 7:45—12:30 pm Mon-Friday

Spring Semester: January - May from 7:45 – 12:30 pm Mon-Friday

Classes will follow the Snow College Richfield Campus school calendar and all holidays will be observed as specified on the calendar.

Note: Students missing class will have to make up time, by arranging with the instructor. There are a few extra days at the end of each class session for makeup days. If more time is needed in order to meet the required 300 hours of training to qualify for the licensing test, additional tuition will be charged based on the number of makeup hours needed. This class cannot accommodate a high school A/B schedule.

Course Costs:

*College tuition (see current tuition table + \$30 application fee)

*High school student tuition is \$50.00 plus \$30 application fee

*Ask the Student Success office for the current tuition rate.

*Upon acceptance to the course tuition and fees must be paid in full or payment arrangement made in the Richfield cashiers office prior to the first day of class.

*Books & supplies are approximately \$850 (subject to change).

8th edition Milady Standard Nail Technology textbook, workbook and foundations may be purchased from snow.textbookx.com.

Books are required for the first day of class.

*Smocks, nail product and implement kit will be purchased in the Cosmetology department.

Registration:

Registration will be based upon completion of the application process. Which consists of an application to the college and a completed nail application turned in by the due date and followed up with an interview.

Important notes:

This course alone does not carry enough credits to be eligible for federal financial aid or Veteran benefits. You may want to consider additional classes.

**For information on how to register for the program, contact the Student Success Office
at 435-893-2211.**

Revised 9/6/22

Potential Nail Technology Student Application Form

*The completion of this form **does not guarantee enrollment into the nail technology program.** Once you are accepted into the program, you will be required to complete the official registration process including Snow College Application with application fee, appropriate test scores; i.e., ACT or TABE, and completed enrollment form with classes assigned.*
