

## General Education Letter of Completion through IVC

The courses listed below are available from Snow College Concurrent Enrollment through IVC (Interactive Video Conferencing). Each high school decides which IVC classes it wants to make available to its students. There may be other courses available at your high school taught Face-to-Face (not IVC) which may also satisfy one or more of these requirements. A minimum of one-third of the total credits must be received from Snow College in order for the Certificate to be issued from Snow College. Credits earned at other institutions may be transferred to Snow College to help complete the Certificate's requirements.

Snow College's General Education (GE) program provides the subject-area knowledge and learning skills foundation. **Core** courses make up the general education foundation. **Breadth** courses give an opportunity to explore various subjects. GE learning outcomes are designed to help students acquire skills and knowledge that continue to enhance during their studies at Snow College. You must choose between an Associate of Science degree pathway (more science, no foreign language) or an Associate of Arts degree pathway (One year of foreign language and less science).

General education courses are highly advisable for concurrent enrollment students. They are: 1. Required for college graduation. 2. Transferable from one Utah System of Higher Education (USHE) institution to another. Students completing all GE credits – *approximately 6 concurrent enrollment classes each junior and senior year of high school* – can earn a *Snow College Certificate of Completion in General Education* that is transferrable to all USHE institutions. You will have to complete unique requirements at your transfer Institution, *plus register separately for a 1-credit Wellness class, which is a unique Snow College and UVU requirement, which is available as an online course.*

1. Review the class list below with your parents and counselors. Follow the instructions, in blue, to select classes in each GE category. NOTE: There are multiple choices in every category and lots of reasons (from personal interest to "fits with what you want to study in college") why one might be the best choice for you.
2. Speak with two experts about your choices. 1. Speak with your high school counselor about your SEOP goals and class availability at your high school. 2. Discuss this worksheet with your Snow College Concurrent Enrollment Academic Advisor who can share how your course choices will fit different degree programs.
3. Are you ready to be a Badger? Let's get started! Go to [snow.edu/ce](http://snow.edu/ce) and contact your Snow College Concurrent Enrollment Advisor today!!!

Snow GE Credits Required		Snow College Concurrent Enrollment Courses		Credits	My Choices
Core	Composition (6 credits) Complete BOTH with a C- or better	ENGL 1010	Intro to Writing	3	
		ENGL 2010	Intermediate Writing (pre-req: ENGL 1010)	3	
	Quantitative Literacy (3 credits) Complete ONE with a grade C- or better (or a class with MATH 1050 as a pre-requisite with a C- or better)	MATH 1030	Quantitative Reasoning (for non-science majors)	3	
		MATH 1040	Statistics	3	
		MATH 1050	College Algebra	4	
	American Institutions (3 credits) Complete ONE of these courses	HIST 2700	United States History to 1877 (Must also take HIST 2710)	3	
		HIST 2710	United States History from 1877	3	
		POLS 110	American Government	3	
	Oral Communication (3 credits) Complete ONE of these courses	COMM 1020	Public Speaking	3	
		COMM 2110	Interpersonal Communication	3	
Physical Education (Complete THIS course)	PE 1096	Fitness for Life (Online spring semester of senior year)	1		
Breadth	Fine Arts (3 credits) Complete ONE of these courses	ART 1010	Introduction to Visual Arts	3	
		MUSC 1010	Introduction to Music	3	
		MUSC 1030	Introduction to Jazz and Popular Music	3	
	Humanities (3 credits) Complete ONE of these courses	COMM 1500	Introduction to Mass Media	3	
		ENGL 2130	Science Fiction Literature	3	
		ENGL 2200	Introduction to Literature	3	
		ENGL 2220	Introduction to Fiction	3	
		ENGL 2230	Classic Myths and Folktales	3	
	Social & Behavioral Science (3 credits) Complete ONE of these courses	BUS 1210	Personal Finance	3	
		CJ 1010	Introduction to Criminal Justice	3	
		GEOG 1300	People and Places of the World	3	
		HFST 1500	Human Development	3	
		HIST 2700	United States History to 1877	3	
		HIST 2710	United States History from 1877	3	
		PSY 1010	Introduction to Psychology	3	
		SOC 1010	Introduction to Sociology	3	
	Foreign Language (10 credits) Only Associate of Arts are required to complete BOTH courses	FREN 1010	Elementary French I	5	
		FREN 1020	Elementary French II	5	
	Science Inquiry Only Associate of Science students are required to complete ONE course from Science Inquiry. May not duplicate a course from another category	CJ 1010	Introduction to Criminal Justice	3	
		GEOG 1300	People and Places of the World	3	
HFST 1500		Human Development	3		
PSY 1010		Introduction to Psychology	3		
SOC 1010		Introduction to Sociology	3		
PHSC 1000		Interdisciplinary Physical Science	3		
Life Science (4 credits) Complete THIS course	BIOL 1050/1055	Human Biology and required Lab	3/1		
Physical Science (3-4 credits) Associate of Science students select CHEM 1110/1115 or GEOG 1000/1005. Associate of Arts students select PHSC 1000, CHEM 1110/1115 or GEOG 1000/1115	CHEM 1110/1115	Elementary Chemistry and required Lab	3/1		
	GEOG 1000/1005	Physical Geography and required Lab	3/1		
	PHSC 1000	Interdisciplinary Physical Science	3
