

In addition to specific Snow College department requirements (if applicable), Snow College Concurrent Enrollment adheres to the minimum USHE AND USBE high school teacher qualifications:

SB291

Provides conditions under which public educators are eligible to teach CE courses. Educators, called “LEA employee(s)” in statute, is

Eligible to teach CE if they:

1. are licensed under statutory Education Professional Licensure; and
2. taught the CE course they wish to teach in future during the 2018-19 or 2019-20 school year
OR
3. meet the academic qualifications listed below.

Qualifications to teach an Academic CE course:

- a. a master’s degree or higher in the concurrent enrollment course’s academic field;
- b. a master’s degree or higher in any academic field and at least 18 completed credit hours of graduate course work in an academic field that is relevant to the CE course OR
- c. qualifying experience, as determined by the institution of higher education.

Qualifications to teach a CTE CE course:

- a. a degree, certificate, or industry certification in the CE course’s academic field OR
- b. qualifying experience, as determined by the institution of higher education.

R165-10.

College or university faculty or public-school educators teach concurrent enrollment courses for the offering institution.

10.1. Selection of CE Instructors: LEAs and the participating USHE institution shall jointly select instructors for concurrent enrollment courses. Selection criteria for instructors are the same as those criteria applied to other adjunct faculty appointments in specific departments within the USHE institution. Once approved as an adjunct, CE instructors who teach a CE course in 2018-19 or 2019-20 may continue to teach CE courses given curricular standards and student performance outcomes in the classes meet sponsoring academic department standards. Institutions shall establish a process for determining, in consultation with LEA partners, whether an eligible instructor who previously taught a CE course is no longer qualified to teach the CE course. The appropriate academic department at the institution must approve CE instructors prior to teaching the concurrent enrollment class.
