

Badger String Project

Snow College
Horne School of Music

THE FUTURE OF BADGER STRING PROJECT

The BSP orchestra will be expanding this next coming year to include Middle School aged students. This means that there will be an early morning class at both Ephraim and Moroni Middle Schools. New students as well as old can enroll in the program. For students to participate in the

Ephraim orchestra they have to be enrolled in their school orchestra as well. One of the BSP's goals is to support and encourage the growth of the music programs within the schools.

The orchestra programs at Manti, Ephraim, Fairview, and Moroni will continue and, depending on enrollment, start at Mt. Pleasant and Spring City. All private lessons will continue. However, some teachers are leaving due to graduation. Ask your teacher what to expect for the coming year.

Depending on grant approval the BSP will also be able to offer tuition and instruments scholarships next year. Application information will be available next fall. Thanks to all of you for helping make this first year successful. We all look forward to another great year!

PICK A RECITAL!
Each student needs to set up with their teacher which recital they are going to play on (either Tues. 29th or Wed. 30th.) Let them know! Students with Private instructors outside the program need to let Sara Gunnell know.

Concert Dress

Students need to wear black and white for the orchestra concert. Ties with color are acceptable.

Recital Dress

Students should be dressed up in their best clothes. No jeans, t-shirts or tennis shoes is a good rule of thumb.

SUMMER LESSONS!!
SUMMER LESSONS WILL BE AVAILABLE. TALK TO THE DIRECTOR OR YOUR TEACHER IF YOU ARE INTERESTED.
