Approves president's recommendations within regents' parameters.	Sets parameters and delegates to trustees subject to annual reports and audit.
Institutional Budget Requests and Tuition and Fee Adjustments	Consults with and gives advice to the president. Approves president's recommendations within regents' parameters.	Sets parameters and delegates to trustees subject to annual reports and audit. Prepares system budget requests and approves tuition and fee adjustments.
Functions and Responsibilities not Specifically Delegated to Others	Trustees are charged by statute with providing communication with the community, fund raising, strengthening alumni and community identification, and selecting recipients for honorary degrees and other responsibilities as listed here as delegated by the regents.	All responsibilities not specifically delegated are reserved to the regents. In particular the appointment and retention of the commissioner and presidents, evaluation of presidents, master planning, budget/finance proposals, system information, and legislation.

The **Commissioner of Higher Education** is appointed by the Board of Regents and serves at its pleasure. He or she functions as the chief executive officer of the Utah System of Higher Education (USHE) and is responsible to the Board of Regents for the following three basic duties: (1) execute regents' policy, (2) facilitate the communication and administrative collaboration among institutions (e.g., chairs the Council of Presidents and establishes regents' board meeting agendas), and (3) to provide state-level leadership for higher education.

The **institutional president**, in collaboration with his or her board of trustees, is appointed by the Board of Regents and serves at its pleasure. The president is the chief executive officer of the institution responsible for leadership and all administrative and operational functions of his or her institution, which also includes a responsibility to the system. He or she works with the institutional board of trustees to effectively lead and build their institution for the benefit of their students and the state as a whole.
