

# SNOW COLLEGE

RESIDENCE LIFE

A vibrant Holi festival scene with people throwing colorful powder. The image is filled with a thick cloud of bright pink and magenta powder, with some green and yellow powder visible on the left. In the foreground, the backs of several people are visible as they throw powder. One person on the left has their hand raised, and another on the right has their hand reaching out. The background shows a building with a balcony. The overall atmosphere is festive and celebratory.

THIS  
IS  
RES  
LIFE

Campus living is at the center of it all, combining the convenience of walking to class with a safe, affordable environment and a fun student community. Your Snow College experience is about learning both inside and outside the classroom and with the Residence Life staff here to help, you can have an amazing college experience.

### **Our Mission:**

We provide clean, safe and secure living environments to promote maturity, diversity and academic success. By enhancing personal growth through developing responsibility and encouraging friendship, we will aid in the students of today becoming the leaders of tomorrow.

## RESIDENCE HALL ASSOCIATION

The Residence Hall Association (RHA) gives a voice to the students living on-campus! From planning activities to advocating for change, the RHA gives each and every student a chance to make a difference. The RHA is a student-run organization, giving all students (including Freshman) opportunities to serve as a student-leader while at Snow College!

“

Being a part of the RHA has been such an awesome opportunity for me to meet awesome friends, gain leadership experience, and make some amazing memories! I would recommend this experience to anyone.

- Amanda Kelsey, RHA Vice President 2015-2016

## RESIDENT ASSISTANTS

A Resident Assistant (RA) is a student staff member that helps provide each student with the resources necessary to be a successful student while living at Snow College. From unlocking doors to providing social, education and service oriented activities, these student-leaders go above and beyond to aid residents in their building to create the ultimate college experience.

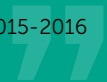

## RESIDENT DIRECTORS

A Resident Director (RD) is a live in professional student staff member. These leaders each supervise a Residence Hall and a team of Resident Assistants. Their goal is to make sure that all students are being provided a safe and secure living environment. These professional student staff members handle the administrative side of their building's needs and work collaboratively with the Office of Residence Life in aiding in the success of our on-campus students.

Being a part of the Residence Life Leadership Team has helped me grow more than I ever imagined! Who knew I could have so much fun, so much responsibility, and so much opportunity to make a difference in other students lives!? It might not be the easiest job, but I will never regret it.

- Emily Rogers, Resident Assistant 2015-2016
