**SNOW  
COLLEGE**

OPEN POSITION:

**Instructor/Assistant  
Professor, Nutrition**

## About Our College

Snow College is a two-year public college. **In January of 2020 The Chronicle of Higher Education ranked Snow College #1 in the nation for student success of two-year colleges.** Located in the heart of Utah, at the foot of the Wasatch Mountains, Snow College is one of the oldest comprehensive two-year college in the Western United States.

The College was established in 1888 and excellence continues to be the hallmark of our work and activities. We are the preferred choice of approximately 6,000 students who want a small college experience filled with a variety of activities, events and performances, to go along with their outstanding academic opportunity.

Snow College offers programs and courses which are highly interactive and are designed to reach a broad spectrum of students: high school students desiring college courses, traditional on-campus students, technical education students, online students, and non-traditional students who wish to start or complete a degree. With campuses located in Ephraim, Richfield, and online, students are able to complete degrees in Associate of Arts, Science or Applied Science or have the option of numerous specialized, short-term technical training certificates and diplomas including a few programs with bachelor's degrees. Snow is committed to the success and positive experience of every one of these students.

## Highlights

- Snow College won **2021 Best of State Awards** in the following areas: Higher Education Administrator, College/University Teacher, Educational Advisor, Curriculum Development, and the Best of State Statue award in Education.
- Small class sizes result in students receiving more personal attention and specialized assistance from dedicated professors and advisors.
- Low tuition, housing and fees make Snow College the most affordable and best valued college in Utah.

## Mission

*Snow College continues a tradition of excellence, encourages a culture of innovation, and cultivates an atmosphere of engagement to advance students in the achievement of their educational goals.*

## Roles of Snow College

Building upon a tradition and heritage of academic distinction and personalized attention, Snow College fills the following roles:

1. Snow College serves as one of the nation's finest two-year transfer institutions with a focus on liberal arts and sciences, and maintains cooperative relationships with distinguished colleges and universities.
2. Snow College enhances the economic development of Central Utah through partnering with business, industry, government, and community to provide high-demand professional, career, and applied technology education.
3. Snow College enriches the educational, cultural, and recreational life of Central Utah through community and continuing education opportunities, cultural and athletic events, and community outreach services.
4. Snow College is dedicated to helping individual students achieve their academic goals through a caring, personalized learning environment, providing comprehensive student success services, library and learning resources, and targeted supplemental and developmental education programs.
5. Snow College focuses on developing the whole student and encourages student involvement in a wide variety of co-curricular activities, service organizations, service learning opportunities, academic and special interest clubs, athletics, and student leadership opportunities.
6. Snow College welcomes all who will gain from or contribute to its educational and student-centered environment including individuals with diverse backgrounds and perspectives.
7. Snow College partners with higher education institutions which offer baccalaureate and graduate programs in select disciplines for the citizens of Central Utah.

# The Job

## Description:

The Department of Education and Family Studies invites qualified applicants to apply for a full-time, tenure track, 9-months per year faculty position beginning Fall 2023 (Ephraim Campus). The successful candidate will teach various undergraduate Nutrition and Food Science courses, plan, prepare, and follow an approved course of study that includes measurable objectives for each course. He or she will prepare instructional materials such as syllabi, course outlines, audio/visual materials, and exams using the Canvas learning management system. He or she will also develop internship opportunities for students. He or she will be actively involved in maintaining positive and productive relationships with department members, other faculty, administration, advisors, and staff. Additionally, he or she will serve on Snow College committees and regularly attend and contribute to faculty improvement, department/division, and other campus meetings.

Providing quality general education (GE) courses is a promise that Snow College makes to each student. Snow College expects all faculty members to teach GE courses in their area of expertise and assist in developing and teaching a dynamic freshman foundation seminar. This seminar is an interdisciplinary course taught with a common theme by three academically diverse faculty members. These foundation courses reinforce the meaning and reason behind higher education, promote integrative thinking, and provide students with a pathway to becoming lifelong learners. We expect all applicants to share a topic or idea from their area of expertise that lends itself to a multifaceted, interdisciplinary foundations course.

## Qualifications:

### Basic Qualifications:

- Minimum of Master's degree in Nutrition, Dietetics, Family and Consumer Science or closely related field from a regionally accredited institution
- Minimum of twelve graduate semester hours in courses related to Nutrition or Food Science
- Teaching experience with various modes of delivery (video conferencing, online, face-to-face)
- Strong interpersonal and organizational skills
- Ability to communicate effectively in English, both verbally and in writing

### Preferred Qualifications:

Preference will be given to candidates with:

- A Ph.D. with emphasis in Nutrition, Dietetics, Food Science, or related field from a regionally accredited institution
- Post-secondary teaching experience
- Demonstrated experience with technology-based instruction (i.e., experience with Canvas, online, hybrid, and IVC instruction experience, etc.)
- Experience working "in the field" (i.e., professional experience in Dietetics, Nutrition or related career)
- Nutrition or Dietetics educational focus

## Duties:

- Provide classroom (face-to-face), hybrid, and online instruction in lower-division Nutrition and Food Science courses, as well as interdisciplinary (foundations) and IVC (i.e., ed net, broadcast, concurrent enrollment) courses.
- Teach a minimum load of five courses (15 credits) per semester (Spring and Fall).
- Regularly develop and evaluate teaching and learning curriculum
- Create internship opportunities and supervise internship students
- Be actively engaged in program recruitment and retention efforts
- Advise majors and potential majors
- Some same-day traveling may be necessary

- Serve on campus committees
- Perform other duties as assigned by the Department Chair, Dean, or Provost
- Help Facilitate Transfer programs
- Teach courses similar to: HFST 1020, 2020, 1300, 2120 and others as assigned.

## Diversity & Inclusion

The Snow College administration, faculty, staff, and students, affirm our commitment to diversity and inclusion, and consider them essential elements of a vibrant learning community and integral to our institutional mission. We are determined to foster an environment of inclusion, diversity, openness, and respect for the many differences that will enrich the Snow College community, including race, ethnicity, religion, gender, age, socioeconomic status, national origin, language, sexual orientation, and disability.

### Snow College:

- Encourages and welcomes respectful dialogue and exploration of diverse ideas, topics, perspectives, and issues to enrich our campus community.
- Promotes equitable access to all in academics, leadership opportunities, and employment.
- Enhances opportunities by encouraging all to share their cultural experiences and identities, allowing others to learn from this exchange.
- Invites applicants and employees from all backgrounds to foster respect, understanding, awareness, pluralism, and cooperation in an increasingly complex, diverse, global society.

## Strategic Plan

This position is an important part of the College's **Strategic Plan**.

## Living & Working in Sanpete County

Sanpete County: Manti-La Sal National Forest, Maple Canyon, museums, plays and other productions at the Eccles Center for Performing Arts, and more on the **Sanpete County Website**.
