

Cabinet Meeting Agenda
Monday, April 2, 2018 • 8:30 AM
Planetarium Room 324 • Graham Science Center

The primary purpose of the President's Cabinet is to promote unity and fidelity toward the mission of the college. The cabinet should work together to help students, faculty, and staff be successful. The focus should be on activities, services, policies, practices, and opportunities that enhance the learning environment and college experience for students. The following will help guide the cabinet with its responsibilities:
