If you thought you knew the story of the ‘Princess and the Pea,’ you may be in for a walloping surprise! Did you know, for instance, that Princess Winnifred actually swam the moat to reach Prince Dauntless the Drab? Or that Lady Larken’s love for Sir Harry provided a rather compelling reason that she reach the bridal altar post haste? Or that, in fact, it wasn’t the pea at all that caused the princess a sleepless night? Carried on a wave of wonderful songs, by turns hilarious and raucous, romantic and melodic, this rollicking spin on the familiar classic of royal courtship and comeuppance provides for some side-splitting shenanigans. Chances are you’ll never look at fairy tales quite the same way again.
- **Special Guest Kurt Hansen.** Kurt Hansen began his piano studies at age 4. He received a Bachelor of Music degree in piano performance from the University of Missouri - Kansas City where he received a full tuition scholarship, studying with Dr. Robert Weirich. Hansen headed a piano ensemble team that won the Gina Bachauer Piano Teams Competition in 2004. In 2006 he took 2nd place in the Missouri MTNA collegiate piano competition. He has performed in master classes with Yo-Yo Ma, Richard Goode, Jonathan Bliss and Jon Nakamatsu. Hansen has given dozens of solo piano recitals and collaborated in over a hundred instrumental recitals as well.
